<p>R+D Coordination Initiatives of the EU (ERA NET, JTP, Art. 169, ETP) 48 „hidden“ R+D Programs with calls for proposals in 2010: Description and Recommendations, January 2010, 33 pages In the last few years more than 150 international R+D Coordination Initiatives have been created with funds from the R+D Framework Program of the EU. Initiatives are summarized under names as ERA NET, JTP, Art. 169/182 and ETP. A significant part of these initiatives does, beside the coordination tasks, also issue calls for project proposals with available funding of 5-150 million EURO/year and initiative. Description of the initiatives, the interrelation, the Swiss participation possibilities and finally the scheduled calls for project proposals in 2010. <i>Just in a German version available</i></p>	<p>Price: PDF: CHF 120.- <i>(paper version CHF 135.-)</i></p>
